## OUR PROCESS

At Rajo Home Care LLC, our process is built around personalized support, compassionate care, and professional reliability. From initial consultation to continuous monitoring, we ensure every step prioritizes your comfort and well-being. As a trusted provider of **senior care in Minneapolis**, we are committed to delivering exceptional **Minneapolis senior care** tailored to meet the unique needs of each individual.

### Initial Consultation

We begin with a personalized consultation to understand your unique care needs. This allows us to tailor our services to best support you or your loved one.

### Care Plan Development

Our team designs a customized care plan based on medical requirements, daily routines, and personal preferences to ensure comfort and quality care.

### Professional Caregiver Matching

We carefully match each client with a qualified caregiver whose skills and personality align with the individual's needs and lifestyle.

### Ongoing Support & Monitoring

We provide continuous oversight, making regular check-ins to ensure the care remains effective, safe, and responsive to any changes.
